Tarzana, Ca. 91356

Dear Nick,

Thank you very much for the wonderful book. Typically, as you know, when people generally say that they will do something it is not the case. I am very impressed with your work, your talent and of course your integrity to follow through regarding the fact that you sent me your book as promised. Wow! Only the best to you and your future endeavors. Thank you once again!

Respectfully,

David Seabourn
